**EASTON FREE PUBLIC LIBRARY***Librarian's Report*

Gertrude Eastman, who has been Librarian for several years, was granted a leave of absence for three months during February, March and April as she went to Littleton to work. Ivah Edney was appointed acting Librarian by the Trustees. When her leave of absence was up as she was still working, the Trustees appointed Ivah Edney as Librarian. I wish to thank all who have given books and magazines to the Library during the year. Through the generosity of friends and new books bought from the Library Fund there have been 129 books added to the Library. The Bookmobile has made five trips this year. Since the second trip we have been able to secure Adult Fiction and Non-Fiction books which has been a great help. We have borrowed from the Bookmobile 352 books and loaned 547.

Number of Visitors .....	228
Adult Fiction .....	642
Adult Non-fiction .....	83
Juvenile Fiction .....	239
Juvenile Non-fiction .....	10
Magazines .....	202
Total Number of Books Loaned .....	974
Total Circulation .....	1176
Number of Readers .....	28

We have had several new readers during the summer and they think we have a nice Library and a nice selection of books for a small Town.

***SUPERINTENDENT'S REPORT***

---

To the School Board and Citizens of Easton:

I herewith submit my tenth annual report as Superintendent of Schools.

There were 20 pupils attending school last year. Eleven elementary pupils enrolled in the Franconia Elementary School, 8 enrolled in the high school and 1 enrolled in Littleton High School.

There are 14 pupils attending school this year, 6 in the elementary school and 8 in the high school. They are as follows: Lois Bowles, Grade 5, Peter Bowles, Grade 9, Alice Cooley, Grade 7, Bernice Cooley, Grade 4, Eleanor Cooley, Grade 9, Katherine Cooley, Grade 12, Merton Edney, Grade 8, Roger Glover, Grade 12, Patricia Leighton, Grade 12, Ingrid Schultze, Grade 4, Alvin Shepard, Grade 8, David Shepard, Grade 9, George Whitcomb, Grade 12 and Evelyn Wolff, Grade 11.

There are but fourteen children in your district and the duties of your school board are not as heavy as in nearby districts. In the eyes of parents, the education of a few children is just as important as the education of many. Your board is to be commended for its interest in the welfare and education of Easton children.

A detailed report of the activities at Dow Academy accompanies this report.

Respectfully submitted,

**RONALD A. PERHAM**  
Supt. of Schools

## ***PRINCIPAL'S REPORT***

---

The second annual report of my administration as Principal of Dow Academy is hereby submitted.

### **FACULTY**

The fall term opened with some staff changes. Miss Callahan, Mr. Cole, Mr. McLure, and myself returned to discharge our obligations. New teachers added this year are as follows: Miss Blanche Carr of Lincoln taught grades 1 and 2. Mrs. Alice Leavitt replaced her after the Christmas vacation. Mrs. Elizabeth Lowden of North Woodstock teaches grades 3 and 4. Mrs. Margaret Graham of Lancaster teaches Science and Social Studies, Miss Kathleen Frothingham of Portsmouth teaches the Commercial studies. Mr. Frank Wilbur of Danville, Vt. teaches English and French. Mrs. Irene Sinclair of Lincoln is handling the vocal music for the school. Mrs. Pauline Cole has replaced Mrs. Elizabeth Moore, who resigned during the Christmas vacation, as teacher of Home Economics. Mr. Merton Shores is teaching Shop.

I find the faculty a conscientious and capable group of individuals who are stimulating and cooperative.

### **CURRICULUM**

The shed beside the gymnasium has been improved and with further improvements it is hoped that in the near future our shop will be moved from the gym to this location. It affords more space and better facilities for an improved shop course.

Driver Education is being continued this year and is proving its practical value to all concerned.

World Affairs, taught by Mrs. Graham, is a new subject offered for the first time this year. Other courses not offered as a regular part of our curriculum will be available next year to interested and capable students. Correspondence courses are approved by the State Department of Education and are of great value to small schools if properly supervised.

Work is being done towards changing the curriculum to better fulfill the needs of our students. This will not be at a sacrifice of the fundamentals of education. Now in the planning stage, it requires the cooperation of school, home, and community.

The school day is as follows: 8:25 A. M. to 12:15 P. M. is the morning session composed of four 55 minute classes. 1 P. M. to 2:50 P. M. is the afternoon session composed of two 55 minute classes. The longer periods are to provide time for supervised study. The last period in the day is what we call an activity period. It is used for Band, Glee Club, and other extra-curricula activities. The schedule is so arranged that no classes are missed because of the athletic program.

#### ACTIVITIES

For the first time the ski program is under the direct control of the school. Mr. Cole is the supervisor and is doing an exceptional job in this respect. We feel that it is run better than ever before, thus resulting in greater benefits for the students. A Physical Education program is being instituted at the same time and in conjunction with the ski program. Plans are underway for a continuation of this program for the rest of the year.

This year the school annual will again be printed by the Courier, after a lapse of a few years. Under the direction of Mr. Wilbur, we feel the yearbook will be bigger and better than ever.

Mr. McLure is continuing his able work in directing and improving the band.

Mrs. Sinclair devotes a full day to Glee Club and chorus work for the entire school. Present plans call for an operetta in the spring. We feel that her work is very satisfactory.

We have dropped out of the Ammonoosuc Basketball League this year. Little interest was shown by the boys in the sport, although some faithfully stuck it out. These few are now playing for Twin Mt., since Twin was plagued with injuries and issued a call for assistance. Such an experiment as a team composed of mem-

bers of rival schools is a valuable cooperative experience for all concerned.

The girls have so far enthusiastically played a few games and have more planned. Capably coached by Mrs. Graham, they have performed very well.

The ski team under the direction of Mr. Cole shows much promise and it appears they will make good showings in the many meets that are scheduled. This is a sport which is natural for this area. It has a great carry-over value beyond school.

The Dramatics Club, directed by Mr. Wilbur, has successfully performed one play and another is planned for the spring season.

### HEALTH

Last spring dental fluoride treatments were administered on a voluntary basis to many students. This was a worthwhile project. Dr. Ralph Parker has performed physical examinations again this year. Miss Irma Simeneau has returned as the school nurse and is effectively cooperating in keeping the school children in good health. There is still need of more work being done in the field of dental health.

### GUIDANCE

Our guidance folders are being used to a fuller extent and progress is being made in the direction of helping students choose courses and careers. Much more, however, remains to be done in this field.

### LIBRARY

Through the generosity of the many friends of the school, both in giving books and money, the library has expanded very favorably. It is more widely used and steps have been taken for getting more sources of reading and reference matter for our students.

### MARKING SYSTEM

The new system was instituted this fall. The aim of it is to give a more complete report to the parents of their child's progress at school. It is, we hope, a more meaningful report both to the child and the parent.

## ADMINISTRATION

May I express my appreciation to the staff of the school. It is a pleasure to work with them. They are the backbone of our nation. It is my opinion that they are doing a very commendable job.

It is a pleasure to work for and with Mr. Ronald Perham, your Superintendent of Schools. He is very cooperative and is sincerely interested in doing the best possible for the students and the school.

It is a privilege to work for and with your school board. They are honest, sincere, and conscientious. They keep a close check on your school. They constantly keep the best interests of the school foremost in their thoughts and actions.

Respectfully submitted,

Paul H. Farris  
Principal
